Summary

CSE undergraduate (SUST) focused on Vision-Language Models, LLMs and full-stack development. Strong in problem solving and applied ML.

Education

Shahjalal University of Science & Technology
BSc in Computer Science & Engineering, CGPA: 3.67/4.00 (6th Semester) *2022–Present*

Notre Dame College, Dhaka
Higher Secondary Certificate, GPA: 5.00/5.00 *2020*

Projects

SafetyNet
***Mobile Application**, Kotlin, Java, Jetpack Compose, Firebase* *4th Semester*
- Emergency alert app for harassment/distress situations with real-time notification.

Tuition Hub
***MERN Application**, React, TypeScript, Express, MongoDB* *6th Semester*
- Platform for tuition matching, applications, messaging and AI study assistant.

Skills

Programming: C, C++, Java, Python, JavaScript, TypeScript
Frameworks & Tools: React, Node.js, Express, Flutter, Docker, Git, CI/CD
Databases: MySQL, MongoDB, Firebase
AI/ML: PyTorch, Computer Vision, NLP
Problem Solving: 200+ problems solved (Codeforces, CodeChef, LeetCode)

Achievements

Research: IEEE WIECON 2025 paper (Computer Vision)
Innovation: University Innovation Hub — Team SUST CareCrew, Pre-seed grant (55K BDT)
Competitions: Top 15 mobile apps — bdapps (2024); Top 50 teams — GUB AI Hackathon (2025)

Certifications

Google Cybersecurity (2025) • AWS Cloud Foundations (2026) • AWS Cloud Developing (2026)
KUET Bitfest Datathon (2025) • CUET Datathon (2025)

Co-Curricular Activites

Organizing Secretary — SUST ACM Student Chapter (2023–Present)
Publication Secretary — SUST CSE Society (2025)
Organizer — SUST CSE Carnival (2025)
Academic Team Member — Bangladesh Math Olympiad (2024 & 2025)
